

○ NOTICE TO READERS

It has come to the attention of the ARAL editors that two passages in the paper by Nakahara and Black on pages 06.1 to 06.17 in ARAL volume 30 No 1 March 2007 might be interpreted to imply negative comment in relation to a person indirectly referred to in this paper.

The ARAL editors advise that the comments were not intended to be negative, and they sincerely regret any offence that may have been caused by the publication of this material. For this reason, they have arranged for the two passages to be removed from the online version of ARAL.
